Life Skills 生活

Personal needs 自我服务	WE	ME	EE
Able to eat well and begin to help arrange the tableware with encouragement. 在鼓励下，能很好地进餐并开始帮助整理餐具。			✓
Is capable of folding clothes independently and organizing them neatly during nap time. 午睡时，能自己折叠衣服，并将衣服摆放整齐。			✓
Social behavior 行为习惯	WE	ME	EE
Can express their requests and thoughts to adults in a polite manner. 会用礼貌的方式向成人表达自己的要求和想法。			✓
Can use basic skills like introducing themselves and sharing toys to participate in games with peers. 会运用介绍自己、交换玩具等简单的技巧加入同伴游戏。		✓	
Can try to understand their peers' thoughts, face challenges together, and strive to achieve common goals. 能试着理解同伴的想法，一起应对挑战，努力达成共同的目标。		✓	
Overall Participation 整体参与性	WE	ME	EE
Shows a willingness to participate in various activities and willing to try new activities in a familiar environment. 愿意参加各项活动，并在熟悉的环境中愿意尝试新的活动。			✓
Comments评语: Yibu is polite and respectful, though he sometimes needs a gentle prompt to handle conflicts constructively. His confidence in social settings is growing; he introduced himself in English at the winter concert with confidence. Yibu asks for support and shares his ideas with adults courteously, and with a nudge he communicates thoughtfully. He practices key social routines—greeting classmates and taking turns with toys—to join play and cooperate during group activities. Yibu is making steady progress in considering peers’ perspectives, working together to solve problems, and contributing to shared goals. He participates eagerly in classroom experiences and is willing to try new activities in familiar settings.			
Marking Scheme: WE=Working Toward Expectation ME=Meets Expectation EE=Exceeds Expectation			

Physical Education 体育

Interest and Participation 兴趣及参与性	WE	ME	EE
Participates actively in different types of physical activities and takes pride in personal accomplishments. 主动参与各种不同的体能活动，对自己能完成表示出自豪。			✓
Physical Development 动作发展、体能发展	WE	ME	EE
Engages in balance activities, coordinating arm and leg movements, and practices direction and speed. (Examples include running, riding a tricycle, climbing on play structures, and using balance beams.) 通过平衡运动、手臂和腿部的协调运动、方向与速度的协调运动来促进大肌肉能力发展。（跑步，骑三轮车，攀登架，平衡木）			✓
Can run and jump over distances or heights, and enjoys playing games like tag or dodgeball with friends. 能助跑跨跳过一定距离，或助跑垮跳过一定高度的物体，能与他人玩追逐跑、躲闪跑的游戏。			✓
Can engage in moderate-intensity physical activities that help strengthen upper arms, legs, and core muscles for 10 to 20 minutes. 能坚持 10-20 分钟的包含促进上臂，腿部和身体肌肉群发展的中等强度的体能练习。		✓	
Sportsmanship 体育精神	WE	ME	EE
Shows familiarity with age-appropriate relevant indoor and outdoor play equipment and can safely and independently use the equipment. 能熟悉与年龄相符的室内外游戏器械，能独立地安全使用游戏器械。			✓
Comments评语: Yibu shows strong enthusiasm for movement and is developing solid gross- motor skills. He enjoys running and tricycle riding, displaying good control, speed, and confidence. On the playground he is proficient on climbing equipment, demonstrating steady balance, coordination, and spatial awareness. Yibu is also skilled at dribbling the ball, showing improving control and confidence during ball play. He is familiar with a variety of age- appropriate indoor and outdoor play equipment and consistently uses items safely and independently. Yibu follows safety routines, chooses suitable equipment for activities, and helps maintain a secure play environment. His growing assurance enables full participation in group games and individual challenges. Continued practice with climbing, tricycle time, running, and ball skills will boost his strength, stamina, and motor planning.

Arts & Music 艺术

Attitude 态度	WE	ME	EE
Sings along with teacher and peers, and can imitate more complex actions. 能与老师和同伴一起唱歌，能模仿较为复杂的动作。		✓	
Expresses emotions (happy, sad, excited, etc.) through dance, songs, rhythm, or by choosing lines and colors in drawing. 通过舞蹈，唱歌，节奏，或在绘画中通过选择线条和颜色，来表达自己的情绪情感（高兴，伤心，激动等）。		✓	
Shows respect and takes pride in own work, and demonstrates interest in the work of others (teachers, peers, and artists). 显示出对自己作品的尊重和自豪，并对他人（教师，同伴和艺术家）的作品表现出兴趣。		✓	
Skills 能力	WE	ME	EE
Can draw independently and is beginning to incorporate different shapes and lines to depict the basic forms of familiar objects. 能独立地绘画，开始使用各种形状和线条来表示熟悉事物的基本构架。	✓		
Expresses understanding of music through body movements and sounds. 能大胆的用身体动作、声音表达对音乐的理解。		✓	
Uses common art supplies to represent different objects and shows a willingness to confidently express oneself and various ideas through a range of artistic techniques.会使用常见美工材料表现多种事物，愿意运用多样艺术手法大胆表现自己和事物。		✓	
Use of Tools 使用工具	WE	ME	EE
Demonstrates knowledge and proficiency in at least three different artistic techniques or skills, including painting, pasting, cutting, and others. 知道并能运用3种以上的美工的方法或技能。（如绘画、粘贴、剪贴等）	✓		
Comments评语: 周翌步小朋友在音乐会排练与演出中，他态度积极，能努力跟随集体节奏，在舞台上勇敢表现自己，完成了精彩的表演，值得肯定。他在绘画中充满天马行空的想法，常能说出富有创意的构思。然而，在将想法转化为画面的过程中，他时常感到信心不足，表现为下笔犹豫或线条较为杂乱，涂色时也容易失去耐心，导致画面完成度不足。这反映出他目前对绘画工具的控制能力和造型技巧尚处于探索阶段，需要更多的成功体验来建立信心。 建议未来多为他提供自由涂鸦、玩色游戏等压力较小的艺术体验，鼓励他大胆下笔、享受过程。让他逐渐体验用画笔成功表达的乐趣与成就感。			
Marking Scheme: WE=Working Toward Expectation ME=Meets Expectation EE=Exceeds Expectation			

Science 科学

Attitude 态度	WE	ME	EE
Begins expressing an interest in certain aspects of the natural world (eg. likes dinosaurs, has a favorite animal, etc) 对于自然界某些方面显示出兴趣（如：喜欢恐龙，有一个最爱动物等）。			✓
Actively participate in science-based activities and be willing to ask questions and share personal observations. 主动参与科学活动，并乐于提出问题和分享自己的观察结果。			✓
Skills 能力	WE	ME	EE
Observes and compares things or phenomena, discovering their similarities and differences, and boldly guess the answers. 能对事物或现象进行观察比较，发现其相同与不同，大胆猜测答案。		✓	
Uses various senses to correctly explore objects, plants, and animals (seeing, touching, smelling, tasting, listening, etc.). 运用各种感官正确地探究物品，植物和动物（看，摸，闻，尝，听声音等）。			✓
Knowledge and Understanding 知识和理解力	WE	ME	EE
Distinguishes between different kinds of natural materials and can identify them according to some of their characteristics (water, wood, metal, etc) 能区分不同自然材料并了解它们的特征（水、木、金属等）。			✓
Demonstrates familiarity with own personal characteristics as well as those of peers, teachers, family members, etc. 能描述出熟悉的自我特征以及同伴，老师和家庭成员的特征。		✓	
Comments评语: 在科学领域，周翌步小朋友始终保持“好奇宝宝”般的探索热情。他对新鲜事物充满兴趣，常常提出各种与周围环境相关的问题，展现出对自然世界敏锐的观察力和强烈的求知欲。 在“多米诺骨牌”实验活动中，他并不满足于直线排列，而是创意十足地尝试搭出S形等复杂图案，探索骨牌推倒路线的多种可能性。他敢于尝试不同的方法，勇敢尝试探索自然界的奥秘，还能细心关爱动植物。他对周围环境所表现出的珍惜与好奇，正是小小科学家最珍贵的品质。 希望周翌步小朋友在广阔的自然与科学世界里，继续快乐发现、勇敢发问，成长为更有智慧、更有爱心的探索者。

Listening Skills and Understanding Language 倾听和语言理解	WE	ME	EE
Actively participates in Chinese activities allows for confident interaction with teachers during learning activities. 积极参与中文活动，能与教师在学习活动上自信互动。		✓	
Pays attention to the information that is important to them when they are in a group. 在集体中能有意识的倾听与自己有关的信息。			✓
Speaking and Expressive Skills讲述与表达能力	WE	ME	EE
Can sing children's songs they have learned on their own. Try to tell a story using just one picture. 愿意独立地重复学过的儿歌。尝试进行对单幅图片的讲述活动。			✓
Can start to notice what they do well or need to improve when sharing their thoughts and can think about how they did. 能初步识别自己观点表达过程中的优点或不足，进行自我评价。			✓
Shows awareness of others expressing emotions such as anger, pain, sadness, etc., through language, expressions, and actions, and resonate with them; and can help them with kind words and actions. 觉察别人用语言、表情、动作表达的生气、痛苦、悲伤等情绪，产生共鸣；给予一定的语言、动作上的帮助。			✓
Chinese Literacy and Reading Skills 识字和阅读能力	WE	ME	EE
Enjoys telling others the stories heard or the books read. 喜欢把听过的故事或看过的图书讲给别人听。		✓	
Can connect the pictures and words in books and stories. 能够将阅读材料和图书中的主要图画和文字进行对应联系。		✓	
Comments评语: 周翌步小朋友在集体活动中，他大多时间能够专注倾听，尤其喜欢听故事，并能较好地理解故事的主要内容。他内心有丰富的想法，但在集体面前表达时仍会犹豫，往往需要教师鼓励才愿意分享；对自己特别感兴趣的话题，他会更主动地举手表达。 他喜爱阅读，经常主动选择图书角活动，已养成良好的阅读习惯：知道按照从上到下、从左到右的顺序逐页翻看图书。他的语言理解能力良好，能听懂并运用普通话进行日常交流。 期待在新的一年里，周翌步能慢慢积累表达的信心，在宽松友善的氛围中，逐渐学会更自如、更响亮地说出自己的想法，勇敢展现那个藏在他心里、丰富又独特的小世界。

English Literacy

Listening and Speaking	WE	ME	EE
Demonstrates active listening by making eye contact and responding appropriately.			✓
Recites poem or nursery rhymes with confidence			✓
Uses appropriate greetings and polite responses when interacting with others.		✓	
Retells some events from a familiar story with prompting.		✓	
Reading	WE	ME	EE
Demonstrates understanding of letters and letter-sound relationships.			✓
Identifies initial, middle, and ending sounds of words.		✓	
Uses the sounds of letters to read CVC words.			✓
Identifies and read simple sight words.		✓	
Answers questions about a story to demonstrate understanding.		✓	
Writing	WE	ME	EE
Begins to use improved pencil grip to write lower- and upper-case letters.		✓	
Writes own name with support using initial upper-case letters followed by lower case letters.			✓
Starts to spell CVC words to label pictures.			✓
Comments评语: Yibu is a well- behaved, reliable student who shows strong interest in learning English. He speaks confidently and enjoys using English with both his teacher and classmates. Although listening can be challenging at times, when a lesson captures his interest, he focuses and responds accurately. Yibu answers questions correctly during storytelling and is excelling at reciting the rhyme of the month with very clear pronunciation. In phonics he reads well and uses phonetic sounds to decode words, though he would benefit from more practice with high- frequency words to improve fluency. In spelling he has made good progress and now spells many words correctly. Consistent practice at school and at home will help Yibu continue to build confidence and succeed. Good job, Yibu!

Mathematics 数学			
Number Concepts and Operation数概念与运算	WE	ME	EE
Understands what numerical symbols represent and is proficient in adding and subtracting amounts up to 10. 理解数字符号的意义；熟练掌握10以内数量分合，积累计算经验。		✓	
Understands the difference relationship between numbers within 10. 理解10以内数与数之间的数差关系。		✓	
Uses numbers to describe the order and position of objects. 能用数词描述事物的排练顺序和位置。		✓	
Sets and Patterns集合与模式	WE	ME	EE
Can identify different characteristics and sort them using matching and comparison methods. 通过对应、比较的方法，区分属性特征，进行分类。		✓	
Identifies the rules of progressive patterns such as ABABBABBB--- 排除干扰因素，识别递进模式的规律。如：ABABBABBB---		✓	
Shapes and Space图形与空间	WE	ME	EE
Recognizes how polygon shapes can be combined or broken apart and can draw or put together the shape of an object. 感知多边图形的组合与分割，画出或拼搭出该物体的造型。		✓	
Can tell the difference between left and right. 能区分本位左右方向。			✓
Comparison and Measurement比较与测量	WE	ME	EE
Can tell the differences between amounts and uses estimation, comparing quantities, and other methods to compare them. 区分量的差异，能运用估量、数量比较、运算等方式进行比较。		✓	
Can identify and describe specific dates, including the year, month, day, and the day of the week. 能说出详细的日期，年，月，日，星期几。		✓	

Comprehensive Application综合运用	WE	ME	EE
Recognizes that some things can be described using numbers and shows excitement in learning about the different meanings of numbers in the world around them. 感知和体会有些事物可以用数来描述，对环境中各种数的含义有进一步探究的兴趣。		✓	
Comments评语: 周翌步本学期在数学活动中表现逐步提升，能跟随课堂完成操作任务。他能按物体外部特征进行分类，初步尝试模式排序，并能点数20以内物品。在图形方面，他能辨认常见形状；在数与量方面，能匹配数字与实物，并进行7以内的加减计算。最近我们在学习“等量代换”的概念。他能完成一级等量替换（如1个苹果换2颗枣）。但当变为两级时（苹果换枣，枣换核桃），对他还有很大的挑战。周翌步平时作业参与情况良好。若能在生活中多引导他感知时间概念（如上午、下午、星期），并在加减运算中多借助实物进行操作与验证，将有助于增强数学理解的实际感受。相信通过持续积累，他会在数学探索中逐步建立自信。
