Life Skills 生活

Personal needs 自我服务	WE	ME	EE
Uses a spoon or chopsticks independently when eating, can keep the table clean and helps in cleaning up the table after meal. 能独立地使用勺子或筷子进餐，能保持桌面干净，能参与餐后整理。			✓
Can adjust clothing based on their own feelings of hot and cold. 能根据自己的冷热感受增减衣服。			✓
Social behavior 行为习惯	WE	ME	EE
Can follow safety rules during outdoor activities and pays attention to the teacher's instructions and requests. 能遵守安全规则；外出活动时，听从老师的指令和要求。			✓
Handles conflicts with peers independently or amicably with the assistance of others when they arise. 与同伴发生冲突时，试着自己解决或在他人帮助下友好解决。			✓
Demonstrates improved ability to express their feelings and needs effectively through words or actions, while also developing a greater understanding and appreciation of themselves and others. 能用语言或行为较恰当地表达自己的感受及需要，学习理解和赞美自己、他人。		✓	
Overall Participation 整体参与性	WE	ME	EE
Actively participates in learning and play activities and is happy to express their insights in new activities. 能主动参与学习和游戏活动，并乐于在新的活动中发表自己的见解。			✓
Comments评语: Yibu demonstrates healthy eating habits and confidently uses chopsticks during meals. He freely expresses his enjoyment of certain foods while understanding the importance of eating vegetables and maintaining a balanced meal. He follows classroom routines consistently—sitting with good posture and observing expectations like tidying up and washing his hands. Yibu communicates clearly and confidently and shows genuine sympathy toward others. When something excites him, he shares his enthusiasm with the class. He sometimes needs a little encouragement with new experiences, but once he tries something, he is willing to continue. Yibu is working on becoming more flexible when situations change and collaborates well with peers to find solutions. He is kind, considerate, and always willing to share.			
Marking Scheme: WE=Working Toward Expectation ME=Meets Expectation EE=Exceeds Expectation			

Physical Education 体育

Interest and Participation 兴趣及参与性	WE	ME	EE
Participates actively in group games and physical activities and is aware of the physical fitness gained from them. 主动参与小组性的游戏和体育活动，并从中意识到获得发展的体能。			✓
Physical Development 动作发展、体能发展	WE	ME	EE
Jumps forward continuously on one foot for about 5 meters. 单脚连续跳向前跳5米左右。			✓
Begins developing finer large motor skills involving handling of equipment like balls, rackets, hula hoops, etc。 通过使用器械，如皮球，网球拍，大呼啦圈等，发展大肌肉能力。			✓
Runs about 20 meters quickly and can walk continuously for about 1.5 kilometers (with appropriate breaks along the way). 能快跑20米左右，能连续行走1.5公里左右（途中可适当停歇）。			✓
Sportsmanship 体育精神	WE	ME	EE
Participates in physical activities and follows the rules, can accept the outcome of games (such as winning or losing). 参与体能活动并遵守规则，能接受游戏的结果（例如赢或输）。			✓
Comments评语: 经过一学期锻炼，周翌步在体能和运动协调方面进步突出。他奔跑时步态稳健有力，能根据场地灵活变速转向，骑三轮车掌控娴熟，行驶流畅且乐于挑战更长路线。攀爬时肢体配合协调，核心力量有所增强，平衡感持续优化。球类活动中，他积极参与拍球练习，但拍球时的连续性和节奏控制尚不稳定，手眼配合仍需加强，有时球会脱离掌控，需要更多练习来提升手感。户外活动中，他敢于尝试各类器械组合玩法，探索意愿强烈，且能自觉遵守安全规则，活动后主动收纳归位。建议新学期增加拍球、攀爬与平衡的组合训练，帮助他进一步提升球类技能和整体运动能力。			
Marking Scheme: WE=Working Toward Expectation ME=Meets Expectation EE=Exceeds Expectation			

Arts & Music 艺术

Attitude 态度	WE	ME	EE
Enjoys watching performances and artworks, and shows interest in joining in and trying to imitate what they see. 能够专心地观看自己喜欢地文艺演出或艺术品，有模仿和参与的愿望。			✓
Is willing to participate in various performance activities and feel joy during the performance process. 愿意参加各种表演活动，在表演过程中感到快乐。			✓
Responds positively to beautiful music, artworks, nature, and social interactions. 对优美的音乐作品、美术作品、自然物、社会生活产生愉快的情绪体验。			✓
Skills 能力	WE	ME	EE
Confidently shares their observations and imaginations through activities like drawing, crafting, and building. 能运用绘画、手工制作、建构等手法大胆表现自己观察到或想象的事物。			✓
Expresses their feelings by humming, putting on spontaneous performances, or making up lyrics to songs they know. 能通过即兴哼唱、即兴表演或给熟悉的歌曲编词来表达自己的心情。		✓	
Can use scissors to cut along the lines and create simple shapes with straight edges. 使用剪刀时，能沿轮廓线剪出直线构成地简单图形，边线吻合。		✓	
Use of Tools 使用工具	WE	ME	EE
Uses different materials to reach their goals and shows creativity and resourcefulness during the creative process. 有目的的使用各种材料进行艺术创作。		✓	
Comments评语: Yibu has demonstrated wonderful growth in Arts and Music throughout the year and consistently brings creativity, confidence, and enthusiasm to every activity. He enjoys expressing himself through singing, dancing, and artistic projects, with his passion for the performing arts evident in his active participation and positive attitude. Yibu approaches creative tasks with genuine excitement and always gives his best effort. Throughout the year, Yibu has become increasingly confident in his musical and performance abilities. During our Language Arts Festival performance in the play "The Wishing Tree," he excelled in his role as a hunter, performing with confidence, energy, and excellent stage presence. His dedication during rehearsals and willingness to challenge himself greatly contributed to his success as a performer.			
Marking Scheme: WE=Working Toward Expectation ME=Meets Expectation EE=Exceeds Expectation			

Science 科学			
Attitudes 态度	WE	ME	EE
Demonstrates an interest in hands-on science activities and understands the purpose of observation or experimentation. 对科学操作活动和演示有兴趣，并理解观察和实验的目的。		✓	
Actively participates in caring for the plants and animals displayed in the science corner。 能主动参与照顾自然角中的植物和动物。			✓
Skills 能力	WE	ME	EE
Can observe and identify basic physical phenomena, such as alterations in the shape or position of objects. 能感知和发现简单物理现象，如：物体形态或位置变化等。			✓
Can collect information through simple investigations and can record it using drawings or other symbols. 能通过简单的调查收集信息，能用图画或其他符号进行记录。		✓	
Knowledge and Understanding 知识和理解力	WE	ME	EE
Recognizes cause and effect relationships (watering plants leads to plant growth, etc.). 能意识到因果关系（给植物浇水，所以植物长大，等）。			✓
Shows awareness of society and the different roles people might play in society (occupations, family members, etc)。 能意识到社区和人们在社区中扮演的各种不同的角色（职业，家庭成员，等）		✓	
Comments评语: Yibu demonstrates genuine enthusiasm for science class and shows excitement about observation-based activities. He eagerly investigates silkworms, carefully noting their eating habits and leaf preferences. Yibu successfully recognizes that silkworms grow larger when consuming more leaves and anticipates their subsequent development stages. Beyond hands-on investigations, Yibu displays understanding of different societal roles and their functions. He can identify what nurses and doctors do in the community and appreciate their contributions to society. Yibu's engagement with practical science experiences and his ability to make connections between observations and outcomes demonstrate developing skills in observation, prediction, and critical thinking. His curiosity about living creatures and community roles shows strong foundational competencies that will support continued growth in scientific understanding.			
Marking Scheme: WE=Working Toward Expectation ME=Meets Expectation EE=Exceeds Expectation			

Chinese Language 中文

Listening Skills and Understanding Language 倾听和语言理解	WE	ME	EE
Participates actively in Chinese activities and confidently interact with teachers during learning activities. 积极参与中文活动，能与教师在学习活动上自信互动。			✓
Listens to the teacher and others in the group, and asks questions when something is not clear or when they have doubts. 在集体中能注意听老师或其他人讲话，不懂或有疑问时能主动提问。			✓
Speaking and Expressive Skills 讲述与表达能力	WE	ME	EE
Is willing to independently repeat learned children's songs. Try to conduct a storytelling activity based on a single image. 愿意独立地重复学过的儿歌。尝试进行对单幅图片的讲述活动。			✓
Uses short Chinese sentences and able to provide simple descriptions of events. 熟练使用中文短句，并能对事件进行简单描述。			✓
Can evaluate their own works (artworks, picture books, etc.) based on personal opinions. 基于自己的观点，对于作品本身（美工作品、绘本等）进行评价。			✓
Chinese Literacy and Reading Skills 识字和阅读能力	WE	ME	EE
Can talk about the story's plot using the pictures shown. 能根据连续画面提供的信息，大致说出故事的情节。			✓
Can make a simple true or false guess about the main characters or plot in the story. 能对故事中的主要角色或者情节进行初步的是非判断。			✓
Comments评语: 经过一学期成长，周翌步在语言理解与阅读积累方面稳步前进。集体活动中，他多数时间能静心聆听，尤为沉浸于故事时间，对情节脉络和人物关系的把握较为准确。他胸中藏着许多奇思妙想，表达方面已有突破——面对感兴趣的话题愿意主动举手，发言音量较期初明显提升，表达的主动性正在逐步释放。他对图书怀有天然亲近感，常主动驻足图书角，严格遵守逐页翻阅的顺序，阅读连贯性增强。识字方面，本学期他掌握了一些常见汉字，能够辨认自己的名字和班级环境中反复出现的文字，较学期初有了一定的进步，但仍有继续提升的空间，需要在新学期加强日常浸润和指读练习。新学期期盼他在更宽松的氛围中持续蓄积勇气，越来越顺畅、越来越自信地敞开内心那个丰饶而独特的小天地。 Marking Scheme: WE=Working Toward Expectation ME=Meets Expectation EE=Exceeds Expectation			

English Literacy

Listening and Speaking	WE	ME	EE
Uses a broader range of words to describe objects, actions, and feelings.		✓	
Engages attentively in conversations and responds thoughtfully to both adults and peers.			✓
Can confidently deliver their lines and actively engage in group performances with enthusiasm during the story play.			✓
Reading	WE	ME	EE
Demonstrates the ability to recognize and articulate single letter sounds, along with consonant and vowel digraphs.		✓	
Able to blend sounds to read decodable words.		✓	
Recognizes and reads the first 60 high frequency words.	✓		
Begins to read simple sentences and demonstrates comprehension.		✓	
Writing	WE	ME	EE
Holds the writing tool correctly and shows control while writing.		✓	
Writes both lower-case and upper-case letters on the line independently.		✓	
Arranges words to create a meaningful sentence and starts writing their own.		✓	
Comments评语: Yibu has made excellent progress this semester in speaking English. He is able to express himself confidently in English with clear and distinct pronunciation. His willingness to communicate and share his ideas demonstrates strong oral development and growing communication skills. Yibu engages actively in conversations and participates enthusiastically in classroom discussions. Yibu is progressing well in phonics and reading skills. He is beginning to read simple words and has successfully started recognizing high-frequency words. His phonetic understanding is developing nicely, and he demonstrates growing independence in decoding words. Additionally, Yibu has shown significant improvement in spelling, performing well during spelling assessments and accurately spelling words with increased confidence. Yibu displays developing fine motor skills and is working on improving his writing control. While he is capable of forming letters, he would benefit from focusing more on writing neatly on the lines with consistent placement. With continued practice and gentle reminders, Yibu will strengthen his fine motor control and develop more precise letter formation and line placement in his written work.			
Marking Scheme: WE=Working Toward Expectation ME=Meets Expectation EE=Exceeds Expectation			

Mathematics 数学

Concepts of Numbers and Operations 数概念与运算	WE	ME	EE
Recognizes and writes group numbers of 10 within 100 (such as 10, 20, 30, 40, etc.). 能识别和书写100以内10的群数（如10、 20、 30、 40等等）。			✓
Understands the practical meaning of addition and subtraction, and can perform addition and subtraction operations with numbers 1-10. 初步理解加减的实际意义，会进行1-10的加、减法运算。		✓	
Begins to use the "make ten" method to add numbers together up to 20. 尝试运用凑10法，进行20以内的加法运算。		✓	
Sets and Patterns 集合与模式	WE	ME	EE
Explores the distinctions between the whole and its parts by employing matching and correspondence techniques, while identifying attribute characteristics for classification. 通过匹配和对应的方法，发现整体和部分的差异，区分属性特征进行分类。		✓	
Identifies pattern rules (length, size, height, thickness, etc.) for sorting. 识别模式规律（长短、大小、高矮、粗细、厚薄正逆等）进行排序。			✓
Shapes and Space 图形与空间	WE	ME	EE
Uses the features of common shapes, divide flat figures into halves and quarters. 根据常见图形的特质，进行平面图形的二等分、四等分。		✓	
Recognizes and names cylindrical shapes, and find examples of these shapes in everyday objects. 能辨认和命名圆柱体，并在日常生活中找到实际的物品。			✓
Comparison and Measurement 比较与测量	WE	ME	EE
Recognizes equivalent items by employing both forward and backward reasoning to interchange between 2-3 different items. 感知等量代换，运用正向和逆向推理的方法，进行2-3种物品之间的代换。		✓	
Recognizes clocks and understands the relationship between one's actions and time. 认识钟表，理解自己的行为与时间的关系。		✓	

Comprehensive Application 综合运用	WE	ME	EE
Explores the simple arrangement rules of things in life and strive to establish new rules for organizing them. 能发现生活中事物简单的排列规律，并尝试创造新的排列规律。		✓	
Comments评语: 周翌步本学期在数学活动中表现逐步提升，能跟随课堂完成操作任务，参与积极性较上学期有所增强。他能按物体外部特征进行分类，初步尝试模式排序与规律，并能点数20以内物品、说出总数。在图形方面，他能辨认常见平面图形并尝试拼合；在数与量方面，能匹配数字与实物，进行10以内加减计算，能从1数到50，理解数的顺序，并能初步进行10以内数的分合操作。他对数学游戏兴趣渐增，愿意在引导下尝试新的操作活动。若能在生活中多引导他感知时间概念（如上午、下午、昨天今天明天），并在加减运算中多借助实物进行操作与验证，将有助于增强数学理解的实际感受与运算的准确性。 相信通过持续积累与鼓励，他会在数学探索中逐步建立自信，收获成长！
